## Description

Villa Suzannah is one of the most spectacular 8,000 sq. ft., five story, four bedroom, five-and-a-half bath luxury house rentals in puerto vallarta. It is located just six miles south of the heart of Puerto Vallarta and is easily accessible by car, taxi or bus. We can accommodate weddings or other events of up to 125 people. There is also a 2,600 sq. ft. pool deck with an infinity, heated pool and jacuzzi. This is the perfect setting for a wedding or just relaxing in an idyllic setting.

The villa is situated high on a cobblestone street, overlooking beautiful Mismaloya Bay and the breathtaking Pacific coastline of the Bay of Banderas. The Riviera-like view is prominent from every room in the house.

Each bedroom has its own outside terrace, remote-controlled air-conditioning, ceiling fan, walk-in closet and hand-crafted natural stone work in the bathrooms.
